

CALL FOR FACULTY

The True School of Music at Vijaybhoomi University, Maharashtra, is India's foremost school of contemporary music. True School beats at the very heart of India's thriving entertainment business. Our aim is to train the next generation of musicians, artistes, music producers, sound engineers, music composers, music educators and DJ's to feed the increasing demand for music within India's burgeoning media and entertainment scene.

Vijaybhoomi University is India's first Liberal Professional university, offering

interdisciplinary undergraduate learning pathways to music, design, law, business, data science, artificial intelligence and software engineering.

Situated in a 55 acre picturesque green campus nestled among hills and valleys, the campus features state of the art learning and residential infrastructure including a performance auditorium, recording studios, music and computer labs, a learning center and a full-fledged sports complex offering more than 12 different indoor and outdoor sports and wellness programs.
